News from your Border, Fellside and North Carlisle Community Panel

Are you a Longtown resident? Perhaps you work in the town? Are you curious about the Borderlands project and what it means for our community?

Join us at Longtown Community Centre on Wednesday, 24 September, from 5pm until 6pm - the community panel is hosting a special drop-in session dedicated to the Borderlands initiative.

- Ask questions
- Hear the latest updates
- Find out how this transformational project could impact Longtown

The Borderlands Inclusive Growth Deal is central government funding which could signal transformational regeneration for towns in southern Scotland and northern England. Find out more: [HOME | Borderlands Inclusive Growth Deal](#)

This session is hosted by the Border, Fellside and North Carlisle Community Panel, which will hold its formal quarterly meeting immediately afterwards at 6pm in the same venue.

Although the public is welcome to stay and observe the meeting, any questions should be asked in the earlier session.
