Arthuret Parish Council is inundated with complaints about dog poo bags hanging from our hedgerows as well as dog poo not being cleaned up by the dog owners.

We have provided bins in some areas and we are awaiting a bin to be placed around the Old Road area.

In Longtown we are fortunate to have the countryside around us and the hedgerows.

Dog poo contains medications and pesticides which are harmful to wildlife, people and livestock so, please clean up the dog poo and take your dog poo bags home or put it in one of the bins provided to prevent anyone or any animal getting sick.

This will make our town cleaner and pleasant to walk around for residents and visitors

We would ask that you play your part in trying to deter this issue and report any offences to

North Cumberland Community Health and Wellbeing Conference

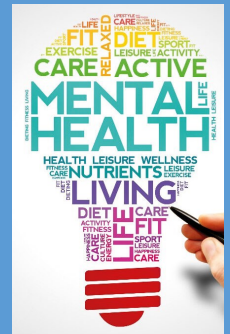

Local leaders, organisations, and community members recently came together at the North Cumberland Community Health and Wellbeing Conference at the Market Hall, Wigton.

Organised by Cumberland Council and CALC, the event featured inspiring discussions on social prescribing, rural crime, community-led action, and the role of councils in public health.

A huge thank you to all of our guest speakers, including Cllr Mark Fryer, David Allen, Colin Cox, James Baggle, Cllr Gillian Telford, and David Wilson, for their insights. Attendees also connected with incredible local organisations like Active Cumbria, Age UK North Cumbria, Andy's Man Club, Food Cumberland, Growing Well, RABI, Rural Wheels, Take Charge, Watchtree Nature Reserve and more.

Longtown is a small market town in the parish of Arthuret sitting on the south bank of the River Esk 9 miles north of Carlisle and 3 miles from the Scottish Border. Situated between the Roman Wall and nestled on the edge of the wild Debatable Lands it has a wealth of history and heritage to share. It is bounded by the Rivers Esk, Lyne, Raeburn and Carwinley burn. The ancient parish of Easton is part of Arthuret parish.

Vandalism Costs

Unfortunately we have a lot of Vandalism in Longtown and it is costing the Parish Council a lot of money to repair, repaint or clean.

This quarter we are going to have to spend approximately £200 to replace the bus shelter glass that was smashed.

This comes out of the monies from the precept which is given to us by the Cumberland Council out of the Council Tax we pay.

Arthuret Parish Council is responsible for the Bus stops.

This money could have been spent on something more beneficial for the town.
