Village Veggers

Gleasons very kindly donated 1 tonne of top soil which enabled the filling of two raised beds on the Bobbin Mill Community area.

The Village Veggers are now ready to plant fruit and vegetables for the residents to harvest.

The raised beds have also been utilised to celebrate Christmas, and V.E. Day and will be used again to celebrate other occasions.

Plans for a Halloween display , Remembrance Sunday and Christmas are being planned.

MAKE A CHANGE
BECOME A COUNCILLOR

Seasonal Displays

The planting season is over for the Village Veggers
However we are not letting the raised beds be unused until next year.
We are planning to do a Halloween Display for everyone to enjoy along with some free goodies for the children.

Remembrance Sunday will also be acknowledged, similar to last years display.
There will also be a Christmas Display to brighten up the dark nights.

MAKE A CHANGE
BECOME A COUNCILLOR

A Remembrance Service will be held on Sunday
9th November, 2025 at the Longtown
Memorial Hall Community Centre.

The Arthuret Parish Council Christmas Party for the over 70's residents is on Saturday 13th December, 2025. It is being held in The Longtown Memorial Hall Community Centre. Look out for more information on Arthuret Parish Council Facebook page or the Website.

There's always help. There's always hope

Whatever challenges you might be facing we'll always be here with financial, emotional and practical help for farming people.

Play your part. Start a meaningful conversation. Normalise the conversation.

There are 71 allotments on Carlisle Road managed by the Arthuret Parish Council, the land is being leased long term from the Netherby Estates.

The rent for a half allotment is £10 per year.

If you want further information or would like to put your name on the waiting list please contact the Parish Clerk at Arthuret Parish Council.

Allotments

Reporting Issues

Residents across Cumberland can now use a new suite of online reporting forms making it easier for them to report environmental issues such as dog fouling, fly tipping, littering, and more.

The new system allows residents to report problems directly from their smartphones or devices while out and about, as well as providing:

- Automated updates on their reports.
- Browser-based forms accessible on computers at home or work.
- Improved data on incidents, including geographical information to help us target 'hot spot' areas.
- Case management including automatic allocation and prioritisation for staff.

This marks the first time a unified approach to reporting environmental issues has been adopted across the whole of Cumberland, streamlining the process for both the public and council teams.

Residents in the former Copeland area will now be able to report incidents electronically for the first time.

Existing webpages are being updated to redirect users to the new forms. Users of the myCumberland app will be redirected to the new forms, before it is switched off in a few weeks.

This is part of a wider programme to consolidate systems and review digital technologies. Further harmonisation of e-forms in other areas will follow shortly. By reducing the number of systems in use, we can reduce costs and improve the effectiveness of our response teams.

The forms are available on the Cumberland Council website at [Street cleaning | Cumberland Council](#).

Residents can continue to report these issues by telephone or by visiting one of the council's customer service centres.

ANTI-SOCIAL BEHAVIOUR

If you are experiencing Anti-Social Behaviour

Such as:

- Noise, swearing and fighting.
- Dogs Barking
- Vandalism
- Graffiti
- Discarding syringes or needles
- Drug use
