

## Cumberland Go - Connecting communities, one journey at a time

Cumberland Council are funding new and enhanced bus services across the area and continuing services we supported last year. These services will help connect you to work, healthcare, education and leisure.

Your voice shaped these services. People told us they wanted reliable, sustainable transport and we listened.

The new and enhanced bus services are funded for 12 months. Use them or lose them!

Timetables are available at [www.cumberland.gov.uk/bus-timetables](http://www.cumberland.gov.uk/bus-timetables)

### From 3 November 2025:

- Maryport - Dearham Town Service (#MD1)
