Section 3 – External Auditor’s Report and Certificate 2024/25

In respect of

ENTER NAME OF AUTHORITY

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2024/25

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2024/25

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

*We do not certify completion because:

LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

By law, any interested person has the right to inspect the accounting records of smaller authorities. If you are a local government elector or registered to vote in the local councils' elections, then you are able to ask questions about the accounts and object to them.

The right to inspect the accounting records

When your council has finalised its accounts for the previous financial year, they must advertise that they are available for people to inspect. You must then provide the council with reasonable notice of your intentions. Following this, by arrangement you will then have 30 working days to inspect and make copies of the accounting records and supporting documents. You may be required to pay a copying charge.

The right to ask the auditor questions about the accounting records

If you have any questions regarding the accounting records, you should first ask your smaller authority. This must be done during the 30-day period for the exercise of public rights. You may also ask the appointed auditor questions about an item in the accounting records. However, the auditor can only answer 'what' questions, not 'why' questions so is limited with their response. To avoid any confusion, it is advised that you put your questions in writing.

The right to make objections

Should you view something as unlawful or believe there are matters of wider concern in the accounts, you may wish to object. If you are a local government elector, you have the right to ask the external auditor to apply to the courts for a declaration that an item is contrary to the law and should be reported as a matter of public interest. This must be done by telling the appointed auditor which specific item in the accounts you object to and why you believe it to be unlawful or think a public interest report should be made about it. You must provide clear evidence to support your objection, and this should be done in writing and the copied to the council.

You should not use the 'right to object' to make a personal complaint or claim against your smaller authority. Complaints of this nature should be taken to your local Citizens' Advice Bureau, local Law Centre or to your solicitor.

A final word

Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, the auditor must consider the cost that will be involved. They will only continue with the objection if it is in the public interest to do so. If you appeal to the courts against an auditor's decision, you may have to pay for the action yourself.
